ROSIE'S GARAGE

2023-2024 Annual Report

IMPROVING FAMILY BONDING

On March 14, 2024, our organization treated participants and their parents to a performance by The Phantom Projects Theatre at La Habra Depot. After the event, Mr. Castañeda, parent of our participant Sophia Castañeda, thanked us for exposing him to a local and relatively inexpensive art venue.

"Thanks to Rosie's, I found another way to engage with my family and my community"

-Mr. Castañeda

Later that month, Mr. Castañeda disclosed how he had worked overtime to save up enough money to treat his entire family to the same performance at the La Habra Depot. He was grateful to Rosie's Garage for focusing on activities that not only enriched the lives of students, but focused on family bonding and unification. Mr. Castañeda said the positive memories his children built with Rosie's Garage will be carried into adulthood.

IMPROVING SCHOLARSHIP

On June 11, 2024, we awarded six recent high school graduates with a \$1,500 scholarship each to help defer college expenses. Three recipients were valedictorians, one was a graduate of a local continuation school, and two were alumni of our program. We wish them all the best in pursuit of their career and success in life.
